Miss Roylston Tells of

Miss Eva Roylston, a prominent young lady of Dayton, Tenn., Who Was so Run Down from Indigestion and Stomach Trouble That She Could Not Eat Anything, Feels So Overjoyed to Think That She Is Now in Robust Health That She ants to Tell Everybody About It.

Miss Roylston says that she was all run down, had indigestion and stomach trouble so badly that she could not eat or retain anything on her stomach, but now she is happy to state that these troubles are things of the past. To-day she can eat anything and it agrees with her, she is robust and strong and is anxious to tell anybody who is sick and needs a tonic about her wonderful recovery. She says nothing seemed to help her until she took Duffy's Pare Malt Whiskey as prescribed by her doctor and it worked like magic. Miss Roylston requests to have the story of her good fortune published so that it may be the means of showing the thousands who suffer as she did the quick sure way to complete recovery

Those who read this are at liberty to write this young lady who says she will take pleasure in answering any questions and telling how she

ened by warmth and moisture its palatability and freedom from injurious

substances render it so that it can be retained by the most sensitive stomach. If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as the world's leading medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Mais Whiskey be aure you get the genuine. It's the only absolutely pure modicinal mais whiskey and is said in scaled bottles only; never in bulk. Price \$1.00.
